

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
CHINA PHARMACEUTICAL UNIVERSITY  
AND  
KATHMANDU UNIVERSITY, NEPAL**

In pursue of the close and friendly relations between the Republic of the Sudan and People's Republic of China, and with the aim of fostering and strengthening closer academic and scientific cooperation between the two Universities, Kathmandu University (KU) in Nepal and China Pharmaceutical University (CPU) in Nanjing, China recognizing the benefits to their respective University through the establishment of international links, do hereby agree to enter into this Memorandum of Understanding on a basis of equality and reciprocity to declare their respective intentions and to establish a basis of cooperation, collaboration and partnership between the Parties upon the terms as contained herein.

**Article One Purpose of Cooperation**

1. To provide the framework for a partnership arrangements between the two parties.
2. To develop academic and educational cooperation and to promote mutual understanding between the two universities
3. To create and build national, regional and international capacity.
4. To provide support and consulting services.
5. To improve the management, relations and understanding.

## **Article Two Scope of Collaboration**

The parties agree to develop the following collaborative activities including not limited to:

### **1. Student exchange**

Each University may send students, either undergraduate or postgraduate, to the partner University/Institution in appropriate fields of study, by taking courses, conducting researches, interning or training. Students must submit their applications to the Host University through their own University.

### **2. Faculty exchange**

The two Universities may nominate their faculty members to participate in exchange for the purpose of training or academic activities like conference, colloquia, and symposia in the partner University on a reciprocal basis. The participant and exact time are subject to the agreement between the two parties.

### **3. Scholarship program**

CPU would provide scholarship chance to host teaching assistants and lecturers of KU to conduct their M.Sc. and/or PhD degrees in fields of interest.

### **4. Collaboration in education**

The two universities will jointly develop programs and courses to advance the education and benefit students from both parties. CPU will endeavor to contribute to the progress in the development of educational facilities, via technical upgrading, substantially reflected in the quality of training of the undergraduates.

### **5. Collaboration in research**

Both Universities act proactively to develop joint-institutional collaboration in different research disciplines in mutual interests, and to encourage cooperation in research activities amongst departments, and individuals of both Universities. Themes of joint research activities and the conditions for utilizing the results achieved should be negotiated for each specific case.

## **Article Three Source of Funding**

The two universities agree that all financial arrangements will have to be negotiated and will depend on the availability of funds.

#### **Article Four Terms of Ccooperation**

The terms of co-operation for each specific activity implemented under this Memorandum of Understanding shall be mutually discussed and agreed upon in writing by both parties prior to the initiation of that activity. Any agreement entered into, as outlined above, will form an Appendix to this Memorandum of Understanding.

#### **Article Five Coordination of the Exchange**

Each University shall designate a Liaison Officer to develop and co-ordinate the specific activities agreed upon. Through these offices, either party could propose activities and specific details of any such activities which will be set forth in a letter of agreement.
